

Four-Year Sample Schedule

First Year

Recommended Classes

- FSEM 1111: First-Year Seminar
- GWST 1112: Introduction to Gender and Women's Studies
- Category of Inquiry #1 (and #2 possibly)

Your first year at DU should be focused on beginning your common curriculum courses. Ideally, you should focus on fulfilling "Intro to GWST," which is offered every quarter. GWST majors also have to complete one (or two) courses in four categories of inquiry: history, institutions and power, intersectionality, and identity and rhetoric.

Second Year

Recommended Classes

- Category of Inquiry #2 (if not taken in your first year)
- Category of Inquiry #3

Your second year at DU should be focused on continuing, and possibly finishing, your common curriculum courses. Some of these could have a GWST focus, but the only major requirements you should focus on fulfilling are your next two categories of inquiry courses, which are offered every quarter. Note that some of these classes may be able to count for your common curriculum (e.g., SI and AI Society courses).

Third Year

Recommended Classes

- GWST 2700: Topics in GWST #1 and #2
- GWST 2981: Colloquium #1
- GWST 3950: Theories in GWST
- Category of Inquiry #4

Your third year at DU is when you dive into your major requirements. You'll likely complete two GWST topics classes. You should take at least one of them this year in any quarter. You should also take at least your first required colloquium class this year, which is offered in the winter and spring quarters. It is highly recommended that you take Theories in your third year. It is offered in the winter quarter. You should also take your last category of inquiry class.

Fourth Year

Recommended Classes

- GWST 2650: Feminist Qualitative Research Methods and Design
- GWST 2981: Colloquium #2
- GWST 3975: Capstone in GWST

Your fourth year at DU is the final stretch when you finish all your requirements. You should take Methods, which is only offered in the fall quarter. You'll also need to complete your Capstone offered in the winter quarter only. Lastly, you should take your last Colloquium class if you have not completed it at this point.

Congratulations!

YOU HAVE COMPLETED YOUR BA IN GWST!

These are our recommendations for your course load but the GWST major allows for flexibility. Contact the GWST office for more information at gwst@du.edu.
