Arrival flight number, airline, and time: (we will have a counselor at the airport on arrival day to help musicians find their scheduled ground travel)

Departure flight number, airline, and time: (**Students should not book departure flights earlier than 6 P.M. on July 2**)

Lamont Summer Academy is not able to provide transportation to or from DIA.

For families and young people flying to Denver alone, we will have a counselor at the airport to assist in finding appropriate ground travel.

Shuttle, car, Lyft, uber drop-off and pick-up will be at the following address:

Robert and Judi Newman Center for the Performing Arts
2344 E. Iliff Ave.
Denver, CO 80208

The following page provides helpful information to assist in ground travel planning.

** As of April 20, 2022 Shuttle Van services have been paused due to Covid. We do hope these are in operation by summer as they are the most inexpensive way to get to LSA from the airport. We recommend the RTDA train light rail, lyft, or uber until that time.*

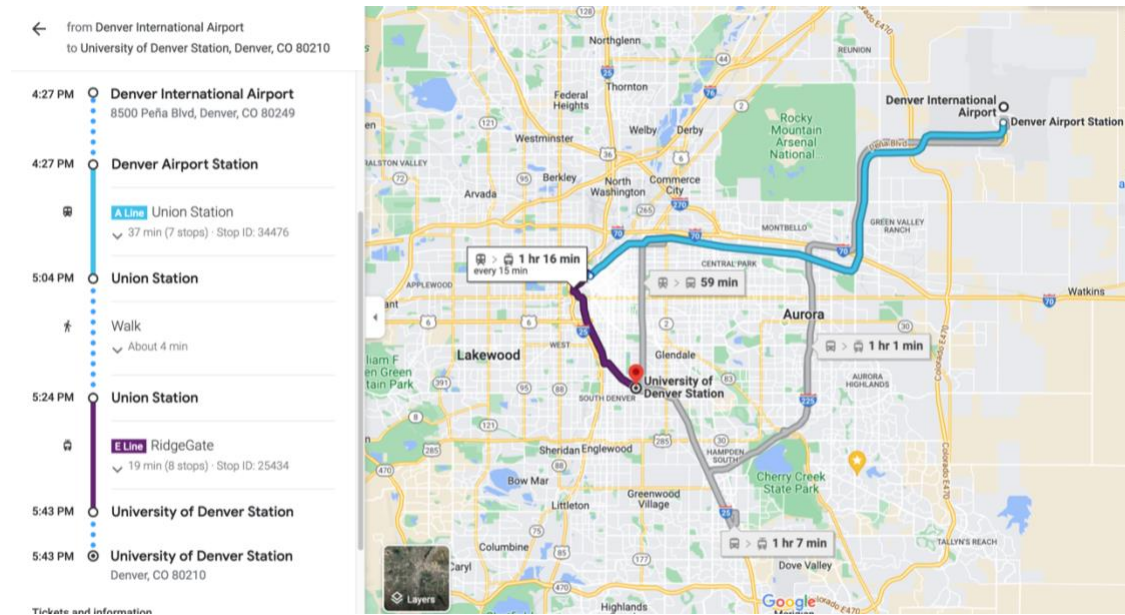

RTD Light Rail From DIA to University of Denver Station

From Denver International Airport RTD Light Rail Station, board the A Train toward Union Station.

At the Union Station platform board the E Train and ride until the University of Denver Station. The E train runs every 15 minutes during the day.

**The University of Denver Station is on the north end of campus. There is an additional 20min walk across campus to the Lamont School of Music. Families are encouraged to take a quick Uber/Lyft ride to Lamont.*

*** As of April 20, 2022 we are trying to work out an agreement with the campus shuttle service to provide LSA students taking the Light Rail with transportation across campus.*
