Text and Translations

Saved

I am a free man, and my father, he was a slave
I have been broken, but my children will be saved
Saved for the fire of man's desire
Saved for tomorrow, with today's sorrow
Saved for a Jesus who does not need us
Saved for the lovers, I pray they will discover
Well, I don't need religion, to tell me what to do
I know that I should love you
And if there is a heaven, and I get there
How could I be happy with my children down here?

さすらい (Sasurai)

ふるさとはない
今 歩く道だけ
気に入った町が新しい 私のふるさ
と いつの間にか 色あせ
うすれてしまった
恋しかったはずの
あの山々 私の肌につきささる
あの霧の白さが 恐かった 愛する人
はない
今一人 さすらいの中
夕陽に唄えば赤い歌声
それが それが なぐさめ 見知らぬ町
で出連った
やさしい人でも
心を

Wandering

Without a hometown, I am
Just merely walk on this path now
The town that I loved
Is my new hometown

Those mountains
That should be lovely at the first place
Since when it changes its color
And faded away even before I know

The whiteness of fog that pierce my
body was frightening

Without someone I love
I'm wandering all alone
What I sing in the sunset, red-colored
singing voice
It is , it is consolation

Even I can't
Show my heart to a gentle man
I met on the unknown town
Yes, it's just how myself is right now

If it's something we can't share mutual
understanding of
Let's remain strangers, everyone.

I don't want to see the far tomorrow
I also don't want to turn around back
Now, I'm alive
It's just it, nothing else

Green Eyes

My eyes are green, 'Cause I eat a lot of vegetables
It don't have nothing to do, With your new friend
I don't care I swear, I'm too through with you, I am
And you don't mean nothing to me, So go ahead and be
With your friend, 'm insecure
But I can't help it, My mind says "move on"
My heart lags behind, But I don't love you anymore
I'm so insecure, Never knew that love did this
Ooh ooh ooh, I can't remember the last time
I felt this way about somebody, You've done something to my mind
That I can't control, But I don't love you anymore
Yes I do I think, Loving you is wrong
Is it? Ooh ooh ooh
I'm so confused, You tried to trick me yeah
Ooh oh ooh, Never knew that love could hurt like this
Never thought I would but I got this
Makes me feel so sad and hurt inside
Feel embarrassed so I want to hide, Silly me I thought your love was true
Change my name to silly e badu, Before I heal it's gonna be a while
I know it's gonna be a while child, I hope it's not too late
Too late too late too late, Feelin' insecure
Love has got me sore, I don't want no more ooh
Yeah it's too late oh ooh, I'm sorry I love you
It hurts me ooh, You told me you loved me too
Ooh then you lost your love, Oh then you lost your love
And then you lost your love, wanted me to go away
But I can't sleep, I can't leave it's too late
Just make love to me, Just one more time
And then you'll see, I can't believe I made a desperate plea
What's with me? Me me yeah
See I can't leave it's too late
I can't leave it's too late, I can't leave it's too late
Yeah I ain't goin' nowhere no, It's too late too late
Too late too late, Come on babe
Don't you want be strong with me
You told me we had a family
Want to run 'cause I weigh ya down
But times get tough and there you go
Out the door you want to run again
Open my heart will you come back again?
Want to run 'cause you say that you are afraid
You're afraid oh
Never knew what a friendship was
Never knew how to breathe love
You can't be what I need you to
And I don't know why I fuck with you
I know our love will never be the same
But I can't stand these growin' pains

Troupeau Bleu

Lueur dans le ciels vert d'éclairs et
troublant
Couche-toi dans la terre, respire le vent
Plonge dans la rivière des infinis blancs
Tes yeux bleus grands ouverts pour
apeurer le temps
Comme une lueur de nuages
s'envolant
Comme un troupeau bleu qui joue en
volant
Comme souffle le vent, comme jouent
toujours les enfants
La route les serpentent comme le
temps
Le mystère envoyant dans un flaqué un
liquide blanc
Comme Ève et Adam, comme ton sang
Pousse ton triste rire d'or comme
l'amour, poing en pleines dents
Comme s'envolant, le goéland, oui
Comme une lueur de nuages
s'envolant
Comme un troupeau bleu, qui gronde
en jouant

Blue Heard

Flash of light in the green sky, of
lightning and disturbing
Lie down into the earth, breathe the air
Dive into the river of white infinities
Your blue eyes wide open to frighten
time
Like a flash of clouds rolling away

Like a blue herd that's playing a game,
flying away
As the wind blows, as the children
always play
The road winding around them like
time
Mystery spilling a white liquid into a
puddle
Like Eve and Adam, like your blood
Laugh your sad golden laugh, like love,
fist flying right at the teeth
As the seagull, flying away, yes!
Like a blue herd that's rumbling and
playing
Like a blue herd that's burning and
rumbling

Ain't No Way

Ain't no way for me to love you
If you won't let me
It ain't no way for me to give you all ya need
If you won't let me give all of me
I know that a woman's duty
Is to help and love the man
And that's the way it was for me
Oh, but how can I, how can I, how can I, give ya
Give ya all the things I can
If you're tyin' both of my hands
Whoa-ho it ain't no way
It ain't no way
For me to love you
If you won't let me
Stop tryin' to be someone you're not
Hard cold and cruel is a man
Who paid too much for what he's got
And if you need me to love you
Say, say yeah you do
Oh then please, please, please
Don't you know that I need you?
Ain't no way
